

Notice of Changes in Standards for PELTOR and Stilo Helmets

TEIN, INC.

December 2013

Following helmets sold in the past were manufactured to meet the requirements set under Int'l Sporting Code at that time of manufacture and shall NOT be used for Int'l and/or domestic competitions after the specified validity date.

If you currently have any of the following helmets and plan to compete in Int'l and/or domestic events in the near future, please consider purchasing the newer helmets which meet the latest standards.
